Vendors Note:

This Section 206 Disclosure Statement is required by law to accompany a Contract of Sale of a property that is regulated by the Body Corporate & Community Management Act 1997. This Statement contains very basic Body Corporate information.

This Statement does not cover the Seller's Implied Warranties referred to in Clause 7 of the Contract of Sale. Unless you have requested that an Implied Warranties Statement be provided with this Disclosure, it is imperative that Vendors complete Clause 7 of the Contract diligently and to the best of their knowledge to avoid possible termination of a Contract should any matter be discovered that was not disclosed in that part of the Contract.

Notes related to Contributions

All contributions are set at the preceding Body Corporate Annual General Meeting (AGM). Gross amounts above refer to the total cost of the contribution. Often a discount of up to 20% is offered if contributions are paid on time. The AGM, or in some instances, an EGM, will set contributions for the financial year period and will often determine interim levies for the first or second levy periods in the following financial year to allow for the fact that the AGM for the following year could be delayed and levies need to be raised.

Notes regarding Utilities

This report is not privy to unpaid utility amounts (ie, electricity, gas, water) that may or may not be outstanding. The Purchaser should ensure that any unpaid amounts are taken into account when calculating settlement figures. This information can be obtained from the Body Corporate Manager by way of an Information Certificate.

Disclaimer

Please be advised that this Report was prepared from information provided by the Body Corporate. At the time of inspection, it is a possibility that not all of the records of the Body Corporate were made available or the records that were available were not up to date or complete. In either of these events, no responsibility is taken for any errors or omissions.

Whilst every care is taken in the preparation of this Report, it is the Seller's Responsibility to check the document thoroughly prior to signing. Any discrepancies are to be brought to our attention immediately. No responsibility will be taken for any discrepancy in levy calculations once settlement of the sale of this property has been effected.
