

Telstra account/invoice activation form

This form is to activate an account for invoicing for Telstra 'Dial Before You Dig' responses that have a data extraction fee. Requests that have a data extraction fee include -

(A) **Planning & Design, Tendering, Conveyancing, Sub-division**

(all the DBYD activity types listed above have a Telstra data extraction fee)

(B) **Large projects or other non standard responses**

(for example data use agreements or large areas that have to be manually extracted)

Please Note

- If you do not wish to be invoiced for Telstra DBYD responses that incur a Telstra data extraction fee (as listed in A and B above) then simply do not fill out and return this form.
- By not activating an account for invoicing then any Telstra DBYD request that has a data extraction fee will be automatically 'no actioned'.
- Details of applicable data extraction fees can be found in the document 'Data Extraction Fees' (should be included as attachment in email)
- If you are breaking ground (excavating for example) you will need to resubmit the DBYD request with the applicable ground breaking activity description. For example, 'mechanical excavation'.
