Our feedback to you is important so that we can both make practical and informed rental assessments and vary the rental amount as needed. Lessors using our management services are provided with a regular appraisal at the end of each lease or annually, whichever comes first. If possible, we aim at achieving a higher rent for Lessors although this depends on many factors such as the condition of property and the market activity.

Our team would be delighted to manage your investment with your individual needs in mind, I will be in contact in the near future however, if in the meantime I can answer any questions please contact me on 0410 674 532 or lucy@imageproperty.com.au

Yours faithfully,
