Other Information

Starting from January 2025, Council will be implementing a new paper bill fee of \$1.98 GST inclusive for all printed rates notices. To avoid the fee, Council is encouraging residents to switch to electronic billing, which is not only free but environmentally friendly. When you setup electronic billing, you can opt in to receive free SMS reminders ensuring that you won't forget when your bill is due.

Your rating category statement can be found by visiting our website at brisbane.qld.gov.au and entering 'how rates are calculated'. The category statement will provide information about each rating category.

The Queensland Government waste levy for general waste is now \$115 per tonne. Council has received a payment of \$41,136,436 for the 2024-25 financial year from the Queensland Government to mitigate impacts from the Waste Levy on households. This payment is only around 85% of the amount required to be paid by Council to the Queensland Government as a levy for household waste to landfill.

The Waste Utility Charge covers costs associated with managing waste in Brisbane, including the gap between the Queensland Government levy charged to Council and the 85% rebate received by Council.
