**Rental Appraisal: 3 Traves Street Chermside West QLD 4032**

**Determining Your Property's Rental Value**

When assessing the rental value of your property, we consider multiple factors to ensure a prompt and successful lease. These include comparisons to similar properties, current market vacancies and broader market trends.

By setting a realistic rental value, we aim to minimise vacancy periods and optimise your financial returns.

**Rental Appraisal Estimate**

We estimate that a rental range of \$1000 - \$1150 per week is achievable in the current market.

Pricing within this range will depend on your preferences and circumstances. The higher end reflects a value that tests the market, potentially requiring a longer leasing timeframe. The lower end is likely to attract more interest and minimise the risk of extended vacancies.
