The Queensland Government waste levy for general waste is now \$125 per tonne. Council has received a payment of \$36,822,816 for the 2025-26 financial year from the Queensland Government to mitigate impacts from the Waste Levy on households. This payment is only around 70% of the amount required to be paid by Council to the Queensland Government as a levy for household waste to landfill. The Waste Utility Charge covers costs associated with managing waste in Brisbane, including the gap between the Queensland Government levy charged to Council and the 70% rebate received by Council.
