Other Information

Due to increasing postage costs, Council has introduced a charge of \$1.98 for all printed and posted rate notices. Make the switch to paperless billing and save by searching 'email rates' via brisbane.qld.gov.au. Brisbane City Council continues to offer the most generous pensioner rates rebates of any council in Queensland, with up to \$1,248 in annual rebates to help offset rates and charges for eligible pensioners.

Your rating category statement can be found by visiting our website at brisbane.qld.gov.au and entering 'how rates are calculated'. The category statement will provide information about each rating category.

The Queensland Government waste levy for general waste is now \$115 per tonne. Council has received a payment of \$41,136,436 for the 2024-25 financial year from the Queensland Government to mitigate impacts from the Waste Levy on households. This payment is only around 85% of the amount required to be paid by Council to the Queensland Government as a levy for household waste to landfill. The Waste Utility Charge covers costs associated with managing waste in Brisbane, including the gap between the Queensland Government levy charged to Council and the 85% rebate received by Council.
