Dear Purchaser/Financier,

Rental Appraisal: 1203/127 Charlotte St, Brisbane QLD 4000

Determining Your Property's Rental Value

When assessing the rental value of your property, we consider multiple factors to ensure a prompt and successful lease. These include comparisons to similar properties, current market vacancies and broader market trends. By setting a realistic rental value, we aim to minimise vacancy periods and optimise your financial returns.

Rental Appraisal Estimate

We estimate that the below rental returns are achievable in the current market:

\$770 - \$820 per week, unfurnished.

Pricing within this range will depend on your preferences and circumstances. The higher end reflects a value that tests the market, potentially requiring a longer leasing timeframe. The lower end is likely to attract more interest and minimize the risk of extended vacancies.

Our Commitment to You
