To Whom It May Concern

57 Swanbourne Street, Fremantle WA 6160

We believe based on the current rental market conditions, and taking into consideration properties being advertised for lease in the area, we consider this property is likely to attract a rental figure of **\$1,300 - \$1,400 per week.**

The eventual leasing price will depend on:

- The number of homes competing with the subject property in the rental market;
- The number of potential tenants seeking a similar home, in the same price range;
- The presentation of the property

Should you wish to discuss our Property Management Services and the best way to attract potential tenants to your property, then please do not hesitate to give us a call on the number below.

Our commitment to securing **outstanding leasing results** for our owners is elevated by our unwavering dedication to exceptional service and extensive experience in the field.

Kind regards,

Monique Malarowski
