Dear Investor,

RE: 3/75 Allen Street, Hamilton QLD 4007

Thank you for the opportunity to appraise this property.

When assessing the rental value of a property, we take into account factors that assist in leasing your property promptly. This includes comparison of similar properties, current vacancies and market trends. Obtaining a realistic rental value ensures that your property is let as quickly as possible for a better overall financial return on your investment.

Based on the current market, I expect the rent achievable to be **\$670- \$720 per week** for your property.

It should be noted that:

1. This appraisal is an opinion only of the rental income of the property as at the date the appraisal is made.
1. This rental appraisal is only an indication of market value, which can only be determined by the amount a willing tenant is actually prepared to pay for the property.
2. The accuracy of any information obtained from a third party and used in preparation of the appraisal cannot be guaranteed.
3. There are a number of imponderable and variable facts and matters which can affect the accuracy of the appraisal of value given including, but not limited to the following:
 - A. Interest rates;
