\* Council, as the operator of a levyable waste disposal site, is liable to pay a monthly waste levy to the State under the Waste Reduction and Recycling Act 2011. For the financial year 2025/2026, the State has paid Council, as a local government affected by the waste levy, an annual payment in the amount of \$20,820,144, in one instalment on 24th June 2022. The purpose of the payment is to mitigate any direct impacts of the waste levy on households in Council's local government area. This payment will be used by Council for that purpose which, in conjunction with Council waste diversion and recycling initiatives, results in your waste management Part B charge as seen above of \$0.00.
