* Council, as the operator of a levyable waste disposal site, is liable to pay a monthly waste levy to the State under the *Waste Reduction and Recycling Act 2011*. For the financial year 2025/2026, the State has paid Council, as a local government affected by the waste levy, an annual payment in the amount of \$20,820,144, in one instalment on 24th June 2022. The purpose of the payment is to mitigate any direct impacts of the waste levy on households in Council's local government area. This payment will be used by Council for that purpose which, in conjunction with Council waste diversion and recycling initiatives, results in your waste management Part B charge as seen above of \$0.00.

Rate information

Your City of Gold Coast (City) rates are payable every six months, usually in August and February. The standard charges you are likely to see on the rate notice are:

Volunteer Fire Brigade

The Volunteer Fire Brigade Charge helps subsidise the operational expenses of rural fire brigades; supplementing the Emergency Management Levy.

Emergency Management Levy

We collect the State Emergency Management Levy on behalf of Queensland Fire and Emergency Services. The levy is used to fund our emergency services. The amount of the levy depends on the classification of your property. qfes.qld.gov.au

General Rate

The City is required by law to levy a General Rate or Differential General Rate on every rateable property each financial year. The General Rate raises the revenue needed to run the city and pay for infrastructure and a range of services and activities. Just some of these include lifeguards, waterways, animal management and economic development initiatives. The value of your property, determined by the State Government, is the basis for calculating the General Rate. To smooth out increases in the General Rate caused by unexpected spikes in property values in any given year, the City uses an averaged value over three years. A minimum General Rate applies if the value of a property is below a determined threshold.

Waste Management Service

The Waste Management Utility Charge covers the cost of accessing Waste and Recycling Centres, in addition to the collection and disposal/processing of solid waste and recyclables from your property.

Recycling Utility Charge

The Recycling Utility Charge is used to fund recycling initiatives, aimed at minimising waste to landfill. This includes infrastructure, land and services that aren't funded via the Waste Management Utility Charge. cityofgoldcoast.com.au/waste

Recreational Space

The Recreational Space Separate Charge assists the City to purchase areas of large open space, with an emphasis on land for sport and recreation.

Open Space including Koala Habitat, Maintenance and Enhancement

Our city is one of Australia's most biodiverse. The Open Space including Koala Habitat, Maintenance and Enhancement Separate Charge supports activities contributing to the management and conservation of the city's natural areas, including opportunities for nature based recreation.

City Transport Improvement

The City Transport Improvement Separate Charge funds Council cabs, bus stops, bicycle and pedestrian pathways, rapid transport, improvements to local roads, as well as expanded bus services across the city.

Disaster Response and Recovery separate charge

Queensland faces frequent disasters; the City's Disaster Response & Recovery Charge supports recovery, preparedness, and building community resilience amid increasing natural hazards.

Discount on rates

The City offers a discount for paying your rates on time. The discount amount and the discount date appear on the rate notice. To receive the discount, the amount payable stated on the rate notice must be paid in full by the due date.

Pensioner Rate Concessions

If you receive a pension, you may be entitled to receive rate concessions. To be eligible, you must hold a Queensland Pensioner Concession Card or a Department of Veterans' Affairs Gold Card. Other conditions apply. Contact us and have your pension card/s and pension amount/s ready.

Change of address

If you have recently changed your postal address, please contact us to ensure your details are updated. If you have moved house and you currently receive a pensioner rate concession, you will need to re-apply. To change your address details and/or contact details visit cityofgoldcoast.com.au/changeyouraddress

Paper rates and water notices fee

From 1 January 2026, a charge of \$2.50 applies to each rates notice and water notice issued by mail. The fee reflects the costs we incur producing and delivering a paper notice. Sign up for My Account to receive your notices by email. Visit cityofgoldcoast.com.au/myaccount

Frequently asked questions

What if I can't pay my bill on time?

You can apply for more time to pay with no interest by entering into an approved payment plan for rates and water bills. Visit cityofgoldcoast.com.au/rates

I paid my solicitor to take care of my house sale, why do I have a property transfer fee on my rate notice?

The charging of a property transfer fee is to recoup the known costs associated with accepting, recording and storage of change of ownership advice.

I just purchased this property; why do I have to pay full rates?

Most likely, your solicitor has allowed for the rates in your settlement. Please check your settlement statement, or contact your solicitor and/or agent for confirmation.

Can someone else enquire on my behalf or update my account?

Yes, you can add an authorised person to your account. If the property is owned by individual/s call us on **07 5667 5995**. If the property is owned by company or trust please complete the form at cityofgoldcoast.com.au/authagent

What does my rating category mean?

Your property's rating category (stated on your rate notice) will influence the amount of general rate you will pay. Factors such as the use (including whether a property is a principal place of residence or rental), size of the land, and the nature of any improvements on the land determine which rating category applies. You can view descriptions of the rating categories at cityofgoldcoast.com.au/inserts

What is the Waste Levy?

Introduced on 1 July 2019 by the Queensland State Government, the Waste Levy is a weight based charge payable on all waste disposed to a leviable landfill site in Queensland. It aims to reduce the amount of waste going to landfill and maximise the diversion of recoverable items for reuse, repurposing and recycling. To mitigate the impact on residential households, the State Government has committed to a payment to Council to offset the direct costs of the Waste Levy liability incurred on the disposal of household waste. For the 2025-26 financial year, residential customers will notice a zero amount for Part B of the Waste Management Utility Charge, see overleaf. Visit cityofgoldcoast.com.au/waste

What is the Green Organics Charge?

Green organics bins are now a part of standard residential kerbside collection services for eligible properties. The service charge is payable for owner-occupied and tenanted properties. Visit cityofgoldcoast.com.au/greenorganicsbin
