- 6.2 **Mr. and Mrs. Masey, neighbors of Sunridge**, following further discussion, it was decided that their name should be removed from the BC ledger and instead, they should be invoiced separately in Xero Accounting, as they are not BC owners. Additionally, it was noted that their easement permits the use of the existing pipes but does not extend to the sewage holding tanks or pump. John will discuss with Robbie any potential issue of Masey's disposing of wipes and similar items down the pipes.

7.0 **GENERAL BUSINESS:**

- 7.1 **AGM Meeting Date – Friday 22nd November 2024 @ 2 pm via Zoom or at the NZBCL Office.**
- 7.2 **Derek – Driveways Asphalt.** There is a report being commissioned in readiness for the AGM to discuss roading maintenance. Kevin and Ken spoke of damage to the asphalt roadside of gate one. It appears that this is caused by a large Council tree. The Committee will approach Council regarding this with the view of Council fixing the situation.
- 7.3 Additional problems have arisen with House 20 Kadia Keller. NZBCL has been instructed to issue a formal request for the removal of signs remaining on common property and trees obstructing the view of the neighboring property within 14 days, failing which legal action will be initiated. It is not the want of the body corporate to undertake such measures. Regrettably, the body corporate rules, along with the Unit Titles Act and Regulations, mandate this.

Moved: John Henderson
Kevin Carmichael

Seconded: Derek Stembridge

As there is no further business the meeting closed at **12.21 pm**. The members are thanked for your attendance.
