TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE(S) TO AND FROM
A LIMITED ACCESS ROAD

To: Pouturu Farm Ltd ("the Owner")
PF Olsen & Co Ltd
PO Box 1127
ROTORUA

State Highway N° 30: Declared Section: Kawerau West Loop Road to Kawerau East Loop Road
Description of land adjoining limited access road: Pt Allot 362, Parish of Matata and Section 10, Blk XII, Rotoma SD, CT 47A/269 ("the Property")

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N° 3 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

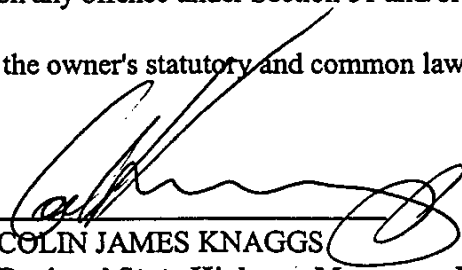

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 256 metres along the highway frontage from the eastern boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) are Pt Allot 362, Parish of Matata & Sec 10, Blk XII, Rotoma SD shown on the plan LA 23/127/2 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.

4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.
5. The crossing place is authorised for items (b) & (g) listed below:
 - (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 18 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
 - (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N° 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

Dated this 14 day of August 1997

SIGNED on behalf of Transit New Zealand

COLIN JAMES KNAGGS
Regional State Highway Manager - Hamilton
(acting pursuant to delegated authority)

Note: For your information the provisions of Sections 90, 91, 92, 93, 97 and 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE(S) TO AND FROM
A LIMITED ACCESS ROAD

To: CW & JC Akers
RD 2
WHAKATANE

("the Owner")

State Highway N^o 30: Declared Section: Kawerau West Loop Road to Kawerau East Loop Road
Description of land adjoining limited access road: Allotment 363, Parish of Matata, Blk XII, Rotoma SD, CT 19D.529 ("the Property")

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N^o 6 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 86 metres along the highway frontage from the western boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) are Allot 363, Parish of Matata, Blk XII, Rotoma SD shown on the plan LA 23/127/2 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.

4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.
5. The crossing place is authorised for items (a) & (g) listed below:
- (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 12 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
- (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N^o 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

Dated this 14 day of August 1997

SIGNED on behalf of Transit New Zealand

COLIN JAMES KNAGGS

Regional State Highway Manager - Hamilton
(acting pursuant to delegated authority)

Note: For your information the provisions of Sections 90, 91, 92, 93, 97 and 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

**TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE(S) TO AND FROM

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N° 36 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 22 metres along the highway frontage from the western boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) is Lot 1 shown on the plan DPS 63589 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.
4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the

location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.

- 7
5. The crossing place is authorised for items (a) & (g) listed below:
- (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 12 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
- (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N^o 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

State Highway N^o 30: Declared Section: Kawerau West Loop Road to Kawerau East Loop Road
Description of land adjoining limited access road: Secs 17 & 38, Blk V & Sec 24, Blk VI, Rangitaiki
Upper SD, CT 17C/975 ("the Property")

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N^o 28 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

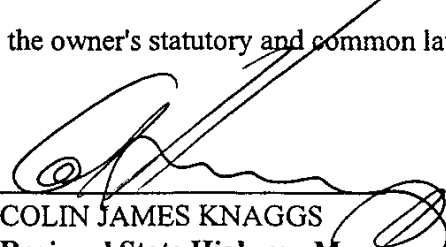

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 2 metres along the highway frontage from the eastern boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) are Secs 17 & 38, Blk V & Sec 24, Blk VI Rangitaki Upper SD shown on the plan LA 23/127/2 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.

4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.
5. The crossing place is authorised for items (a) & (g) listed below:
 - (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 12 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
 - (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N° 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

SIGNED on behalf of Transit New Zealand

COLIN JAMES KNAGGS
Regional State Highway Manager - Hamilton
(acting pursuant to delegated authority)

Note: For your information the provisions of Sections 90, 91, 92, 93, 97 and 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE TO AND FROM
A LIMITED ACCESS ROAD

Limited access road: State Highway No. 30 : Kawerau West Loop Road to Kawerau East Loop Road section, hereinafter referred to as "**the Road**", declared a limited access road in gazette dated 3.7.97 page 1573

Parcel of land: Secs 17 & 38, Blk VI Rangitaiki Upper SD, CT 17C/975, hereinafter referred to as "**the Property**".

Property owner: LE Hammond & R Wray, of C/- CJ Hammond, RD 2 , WHAKATANE hereinafter referred to as "**the Owner**".

Pursuant to Sections 90 and/or 91 of the Transit New Zealand Act 1989 and subject to the conditions specified below, Transit New Zealand authorises the crossing place numbered 26 on the Plan No. LA 23/127/2 ("**the Plan**"), at which vehicles or animals may be driven or moved to and from the Road, and from and to the Property. A copy of the plan is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, Hamilton.

Conditions:

1. The crossing place 26 as shown on the Plan is hereby authorised, subject to the following conditions:

General:

- (a) the authorisation is in respect of the land described above as the Property;

Specified Use

- (b) the use is for regular use by stock, farm vehicles, cars, vans & light trucks up to 8 metres in length;
- (c) the use is for up to 30 car equivalent movements on an average day of the year at this crossing place (1 truck = 6 car equivalents); (to service farm access);

* This figure will be breached if it is exceeded on any three days in any one week or if the number of vehicle movements exceeds 60 vehicle movements per day on any one day of any week

Construction and Maintenance:

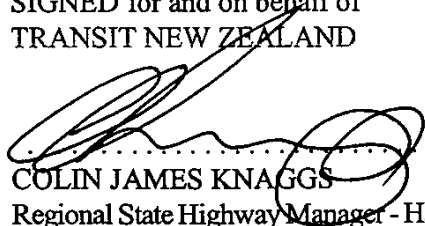

- (d) the centre of the crossing place shall be located on the State highway frontage of the Property approximately 60 metres from the western property boundary;
- (e) the width of the crossing place shall not be greater than 6 metres and not be less than 3 metres;
- (f) the crossing place shall at all times be maintained by the Owner to the standard required by the Regional State Highway Manager Hamilton;

Advice Notes:

2. (a) A separate written permission from the Regional State Highway Manager in accordance with Section 51 of the Transit New Zealand Act 1989, is required before any work other than routine maintenance may be done on the highway to the crossing place. This document **does not** constitute that written permission.
- (b) The Owner's attention is drawn to the powers provided in section 91 of the Transit New Zealand Act 1989, to cancel the right to use a crossing place, and to cancel or vary the above conditions or to impose further conditions, and to vary the location of the crossing place authorised herein. These powers particularly apply to the following situations:
- (i) a subdivision of the Property; and
 - (ii) a material breach of any of the conditions of this authorisation.
- (c) Notwithstanding the authorisation of the crossing place herein, the Owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
- (d) Nothing herein shall derogate from the Owner's statutory and common law obligations.
- (e) Conditions previously imposed by the notice dated 14.8.97, authorising crossing place No. 26 on the Plan are hereby cancelled or varied by this notice.

State Highway N° 30: Declared Section: Kawerau West Loop Road to Kawerau East Loop Road
Description of land adjoining limited access road: Lot 2, DPS 45596, CT 40C/188 ("the Property")

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N° 56 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

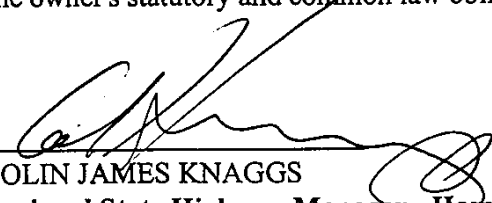

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 4 metres along the highway frontage from the western boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) are Lots 2 & 3 shown on the plan DPS 45596 - R.O.W with Lot 3, CT 40C/185 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.
4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the

location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.

5. The crossing place is authorised for items (c) & (g) listed below:
- (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 24 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
- (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N^o 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

SIGNED on behalf of Transit New Zealand

COLIN JAMES KNAGGS
Regional State Highway Manager - Hamilton
(acting pursuant to delegated authority)

Note: For your information the provisions of Sections 90, 91, 92, 93, 97 and 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

**TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE(S) TO AND FROM
A LIMITED ACCESS ROAD**

To: BR & RA Hill
Onepu
RD 2
WHAKATANE

("the Owner")

State Highway N° 30: Declared Section: Kawerau West Loop Road to Kawerau East Loop Road
Description of land adjoining limited access road: Pt Lot 1, DPS 38597, CT 52D/65 ("the Property")

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N° 71 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 4 metres along the highway frontage from the western boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) is Pt Lot 1 & Lot 1 shown on the plan DPS 38597 - R.O.W with Lot 1, DPS 65501 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.

4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.
5. The crossing place is authorised for items (a) & (g) listed below:
- (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 12 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
- (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N^o 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 40 metres along the highway frontage from the eastern boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) is Lot 10 shown on the plan DPS 14793 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.
4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the

location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.

5. The crossing place is authorised for items (c) & (g) listed below:

- (a) household vehicles or private vehicles;
- (b) stock and associated farm vehicles;
- (c) household/private and stock and associated farm vehicles;
- (d) retail sales or advertising or displaying for such sales;
- (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
- (f) other []
- (g) The crossing place is authorised for use by no more than 24 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)

6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:

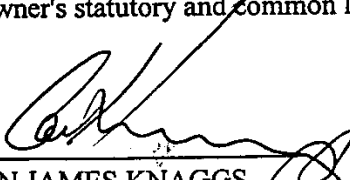

- (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
- (b) any material change to any use of this crossing place from that authorised in condition N^o 5.

7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.

8. Nothing herein shall derogate from the owner's statutory and common law obligations.

SIGNED on behalf of Transit New Zealand

COLIN JAMES KNAGGS

Regional State Highway Manager - Hamilton
(acting pursuant to delegated authority)

Note: For your information the provisions of Sections 90, 91, 92, 93, 97 and 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

**TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE TO AND FROM
A LIMITED ACCESS ROAD**

- Limited access road:** State Highway No. 30: Kawerau West Loop Road to Kawerau East Loop Rd section, hereinafter referred to as "**the Road**", declared a limited access road in gazette dated 3.7.97 page 1573
- Parcel of land:** Lot 1, DPS 80161, CT 62C/570, hereinafter referred to as "**the Property**".
- Property owner:** RK & SG Barkla, of RD 2, WHAKATANE, hereinafter referred to as "**the Owner**".
-

Pursuant to Sections 90 and/or 91 of the Transit New Zealand Act 1989 and subject to the conditions specified below, Transit New Zealand authorises the crossing place numbered 80 (ROW) on the Plan No. LA 23/127/2 ("**the Plan**"), at which vehicles or animals may be driven or moved to and from the Road, and from and to the Property. A copy of the plan is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, Hamilton.

Conditions:

1. The crossing place 80 (ROW) as shown on the Plan is hereby authorised, subject to the following conditions:

General:

- (a) the authorisation is in respect of the land described above as the Property;

Specified Use

- (b) the use is for regular use by stock, farm vehicles, cars, vans & light trucks upto 8 metres in length;
- (c) the use is for up to 30 car equivalent movements by lot 1, DPS 80161 & Lot 1, DPS 78846 on an average day of the year at this crossing place (1 truck = 6 car equivalents); (to service farm access);

* This figure will be breached if it is exceeded on any three days in any one week or if the number of vehicle movements exceeds 60 vehicle movements per day on any one day of any week

Construction and Maintenance:

- (d) the centre of the crossing place shall be located on the State highway frontage of the Property approximately 2 metres from the eastern property boundary;
- (e) the width of the crossing place shall not be greater than 6 metres and not be less than 3 metres;
- (f) the crossing place shall at all times be maintained by the Owner to the standard required by the Regional State Highway Manager Hamilton;

Advice Notes:

2. (a) A separate written permission from the Regional State Highway Manager in accordance with Section 51 of the Transit New Zealand Act 1989, is be required before any work other than routine maintenance may be done on the highway to the crossing place. This document **does not** constitute that written permission.
- (b) The Owner's attention is drawn to the powers provided in section 91 of the Transit New Zealand Act 1989, to cancel the right to use a crossing place, and to cancel or vary the above conditions or to impose further conditions, and to vary the location of the crossing place authorised herein. These powers particularly apply to the following situations:
- (i) a subdivision of the Property; and
 - (ii) a material breach of any of the conditions of this authorisation.
- (c) Notwithstanding the authorisation of the crossing place herein, the Owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
- (d) Nothing herein shall derogate from the Owner's statutory and common law obligations.
- (e) Conditions previously imposed by the notice dated 14.8.97, authorising crossing place No. 80 on the Plan are hereby cancelled or varied by this notice.

("the Owner")

State Highway N° 30: Declared Section: Kawerau West Loop Road to Kawerau East Loop Road
Description of land adjoining limited access road: Lot 2, DPS 26781, CT 25A/847 ("the Property")

Pursuant to Section 91 of the Transit New Zealand Act 1989 Transit New Zealand authorises (subject to the conditions specified below) the crossing place(s) marked N° 82 on the plan number LA 23/127/2 ("the Plan") a copy of which is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, HAMILTON at which crossing place vehicles or animals may be driven or moved to and from the limited access road from and to the property.

STANDARD CONDITIONS FOR INCLUSION IN ALL AUTHORISATIONS

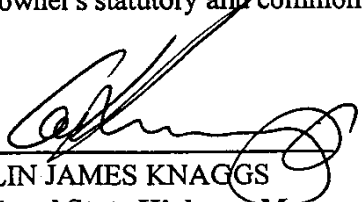

1. Crossing place(s) as shown on the plan is hereby authorised subject to the following conditions:
 - (a) the width of the crossing place(s) shall not be greater than 6 metres and not be less than 3 metres;
 - (b) the crossing place(s) shall in all respects, and at the owner's cost be designed, constructed and finished to Transit New Zealand's standards and specifications and to the satisfaction of Transit New Zealand's Regional State Highway Manager, HAMILTON prior to which the crossing place(s) shall not be used.
 - (c) the centre of the crossing place(s)(cp) shall be located approximately 104 metres along the highway frontage from the western boundary.
 - (d) the crossing place(s) shall be kept properly repaired and maintained by the owner at the owner's expense;
 - (e) separate written consent from the Regional State Highway Manager in accordance with section 51 of the Transit New Zealand Act 1989, will be required before this crossing place is altered in any way. This document **does not** constitute that consent.
2. The lots which, by this Notice, are authorised to be served by the crossing place(s) is Lot 2 shown on the plan DPS 26781 .
3. All previous crossing place notices pertaining to this property are hereby cancelled.
4. The owner's attention is drawn to the Authority's right to cancel the crossing place(s) authorised herein, or to cancel or vary the above conditions or to impose further conditions, or to vary the

location of the crossing place authorised herein. The owner is referred to Section 91 of the Transit New Zealand Act 1989.

5. The crossing place is authorised for items (c) & (g) listed below:
- (a) household vehicles or private vehicles;
 - (b) stock and associated farm vehicles;
 - (c) household/private and stock and associated farm vehicles;
 - (d) retail sales or advertising or displaying for such sales;
 - (e) the use by logging vehicles with a laden weight in excess of [] tonnes .
 - (f) other []
 - (g) The crossing place is authorised for use by no more than 24 car equivalent movements on an average day of the year at this crossing place. (1 truck equals 6 car equivalents)
6. Unless otherwise agreed in writing by the Authority this authorisation shall expire and cease to authorise the crossing place on the occurrence of either of the following:
- (a) any subdivision of land (within the meaning of the Resource Management Act 1991) to which this Notice applies;
 - (b) any material change to any use of this crossing place from that authorised in condition N° 5.
7. Notwithstanding the authorisation of the crossing place herein, the owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
8. Nothing herein shall derogate from the owner's statutory and common law obligations.

Note: For your information the provisions of Sections 90, 91, 92, 93, 97 and 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

**TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE TO AND FROM
A LIMITED ACCESS ROAD**

Limited access road: State Highway No. 30: Kawerau West Loop Road to Kawerau East Loop Road section, hereinafter referred to as "**the Road**". declared a limited access road in gazette dated 3.7.97 page 1573

Parcel of land: Lot 1, DPS 29983, CT 27A/663, hereinafter referred to as "**the Property**".

Property owner: CJ Hammond, of Onepu, RD 2, WHAKATANE hereinafter referred to as "**the Owner**".

Pursuant to Sections 90 and/or 91 of the Transit New Zealand Act 1989 and subject to the conditions specified below, Transit New Zealand authorises the crossing place numbered 91 on the Plan No. LA 23/127/2 ("**the Plan**"), at which vehicles or animals may be driven or moved to and from the Road, and from and to the Property. A copy of the plan is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, Hamilton.

Conditions:

1. The crossing place 91 as shown on the Plan is hereby authorised, subject to the following conditions:

General:

- (a) the authorisation is in respect of the land described above as the Property;

Specified Use

- (b) the use is for regular use by stock, farm vehicles, cars, vans & light trucks up to 8 metres in length;
- (c) the use is for up to 40 car equivalent movements on an average day of the year at this crossing place (1 truck = 6 car equivalents); (to service residential & farm access);

* This figure will be breached if it is exceeded on any three days in any one week or if the number of vehicle movements exceeds 60 vehicle movements per day on any one day of any week

Construction and Maintenance:

- (d) the centre of the crossing place shall be located on the State highway frontage of the Property approximately 10 metres from the western property boundary;
- (e) the width of the crossing place shall not be greater than 6 metres and not be less than 3 metres;
- (f) the crossing place shall at all times be maintained by the Owner to the standard required by the Regional State Highway Manager Hamilton;

Advice Notes:

2. (a) A separate written permission from the Regional State Highway Manager in accordance with Section 51 of the Transit New Zealand Act 1989, is required before any work other than routine maintenance may be done on the highway to the crossing place. This document **does not** constitute that written permission.
- (b) The Owner's attention is drawn to the powers provided in section 91 of the Transit New Zealand Act 1989, to cancel the right to use a crossing place, and to cancel or vary the above conditions or to impose further conditions, and to vary the location of the crossing place authorised herein. These powers particularly apply to the following situations:
- (i) a subdivision of the Property; and
 - (ii) a material breach of any of the conditions of this authorisation.
- (c) Notwithstanding the authorisation of the crossing place herein, the Owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
- (d) Nothing herein shall derogate from the Owner's statutory and common law obligations.
- (e) Conditions previously imposed by the notice dated 14.8.97, authorising crossing place No. 91 on the Plan are hereby cancelled or varied by this notice.

SIGNED for and on behalf of
TRANSIT NEW ZEALAND

COLIN JAMES KNAGGS
Regional State Highway Manager - Hamilton
(acting pursuant to delegated authority)

Note: For your information, the provisions of Sections 90, 91, 92, 93, 97 & 98 of the Transit New Zealand Act 1989 are annexed. These provisions are subject to amendment from time to time.

**TRANSIT NEW ZEALAND
NOTICE AUTHORISING CROSSING PLACE TO AND FROM
A LIMITED ACCESS ROAD**

- Limited access road:** State Highway No. 30: Kawerau West Loop Road to Kawerau East Loop Road section, hereinafter referred to as "**the Road**". declared a limited access road in gazette dated 3.7.97 page 1573
- Parcel of land:** Lot 1, DPS 29983, CT 27A/663, hereinafter referred to as "**the Property**".
- Property owner:** CJ Hammond, of Onepu, RD 2, WHAKATANE hereinafter referred to as "**the Owner**".
-

Pursuant to Sections 90 and/or 91 of the Transit New Zealand Act 1989 and subject to the conditions specified below, Transit New Zealand authorises the crossing place numbered 92 on the Plan No. LA 23/127/2 ("**the Plan**"), at which vehicles or animals may be driven or moved to and from the Road, and from and to the Property. A copy of the plan is available for inspection at the office of the Regional State Highway Manager, Transit New Zealand, Hamilton.

Conditions:

1. The crossing place 92 as shown on the Plan is hereby authorised, subject to the following conditions:

General:

- (a) the authorisation is in respect of the land described above as the Property;

Specified Use

- (b) the use is for for regular use by stock, farm vehicles, cars, vans & light trucks up to 8 metres in length;
- (c) the use is for up to 30 car equivalent movements on an average day of the year at this crossing place (1 truck = 6 car equivalents); (to service farm access);

* This figure will be breached if it is exceeded on any three days in any one week or if the number of vehicle movements exceeds 60 vehicle movements per day on any one day of any week

Construction and Maintenance:

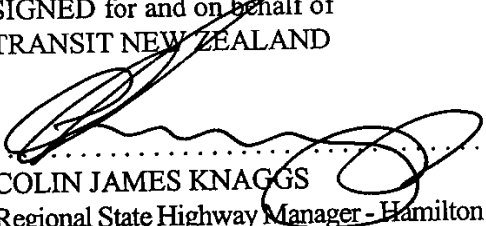

- (d) the centre of the crossing place shall be located on the State highway frontage of the Property approximately 46 metres from the eastern property boundary;
- (e) the width of the crossing place shall not be greater than 6 metres and not be less than 3 metres;
- (f) the crossing place shall at all times be maintained by the Owner to the standard required by the Regional State Highway Manager Hamilton;

Advice Notes:

2. (a) A separate written permission from the Regional State Highway Manager in accordance with Section 51 of the Transit New Zealand Act 1989, is be required before any work other than routine maintenance may be done on the highway to the crossing place. This document **does not** constitute that written permission.
- (b) The Owner's attention is drawn to the powers provided in section 91 of the Transit New Zealand Act 1989, to cancel the right to use a crossing place, and to cancel or vary the above conditions or to impose further conditions, and to vary the location of the crossing place authorised herein. These powers particularly apply to the following situations:
- (i) a subdivision of the Property; and
 - (ii) a material breach of any of the conditions of this authorisation.
- (c) Notwithstanding the authorisation of the crossing place herein, the Owner shall at all times be liable to prosecution for the committing of any offence as defined in the Transit New Zealand Act 1989, including without limitation any offence under Section 51 and/or 97 of the said Act.
- (d) Nothing herein shall derogate from the Owner's statutory and common law obligations.
- (e) Conditions previously imposed by the notice dated 14.8.97, authorising crossing place No. 92 on the Plan are hereby cancelled or varied by this notice.
