Meet Kerry - Mortgage Advisor - Mortgage Supply

I'm Kerry, a local mortgage advisor with over 20 years of experience helping clients secure new mortgages, refinance existing loans, and find the best rates and terms. I work with multiple banks and lenders to compare options and provide personalised advice based on your financial goals — all completely confidential.

What a Mortgage Advisor Does for You:

- **Assess Your Financial Situation:** Reviews income, expenses, and financial goals to understand your borrowing capacity.
- **Compare Loan Options:** Shops around with multiple banks and lenders to find competitive rates and terms.
- **Provide Expert Advice:** Explains the pros and cons of different loan structures, interest rates, and repayment options.
- **Manage the Application Process:** Prepares and submits your loan application, handling paperwork and liaising with lenders on your behalf.
- **Negotiate Better Terms:** Uses industry knowledge and relationships with lenders to secure favourable rates and conditions.
- **Guide You Through Approval:** Helps you understand approval requirements and supports you in meeting them.
- **Offer Ongoing Support:** Provides advice for refinancing or restructuring loans as your financial needs change.
