It is the property owner's responsibility to confirm that all rates and charges are correct at the time of issue of the Rate Notice. **To ensure that your property is in the correct general rate category please refer to the enclosed Schedule of Rates, which has descriptions of all differential general rate categories for the Sunshine Coast Council.** Adjustments to rates and charges levied in prior financial years as an outcome of a Differential General Rate Objection are only available for a maximum of 12 months. Please note the *Transitory Accommodation* rating categories apply where a property is offered or available for holiday rental letting, typically for period/s less than 42 consecutive days at any one time. If you have queries about other rates and charges please refer to the current Revenue Statement, available on Council's website, or contact Council's Customer Service Centre for more information.

**INTEREST:** From 1 July 2024 to 30 June 2025 interest charges of 12.35% per annum, compounding daily, will apply to overdue rates and charges.
