### IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

### WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms, or in certain cases heat alarms, installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

### WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes residential premises, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A, built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A. In particular, a purchaser should—

- (a) search the Register required to be maintained under the *Home Building Act 1989*, Part 8, Division 1A, and
- (b) ask the relevant local council whether it holds records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation, including areas in which residential premises have been identified as containing loose-fill asbestos insulation, contact NSW Fair Trading.

### Cooling off period (purchaser's rights)

- This is the statement required by the *Conveyancing Act 1919*, section 66X. This statement applies to a contract for the sale of residential property.
- 2 EXCEPT in the circumstances listed in paragraph 3, the purchaser may rescind the contract before 5pm on—
  - (a) for an off the plan contract—the tenth business day after the day on which the contract was made, or
  - (b) in any other case—the fifth business day after the day on which the contract was made.
- 3 There is NO COOLING OFF PERIOD—
  - (a) if, at or before the time the contract is made, the purchaser gives to the vendor, or the vendor's solicitor or agent, a certificate that complies with the Act, section 66W, or
  - (b) if the property is sold by public auction, or
  - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
  - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under the Act. section 66ZG.
- A purchaser exercising the right to cool off by rescinding the contract forfeits 0.25% of the purchase price of the property to the vendor.
- The vendor is entitled to recover the forfeited amount from an amount paid by the purchaser as a deposit under the contract. The purchaser is entitled to a refund of any balance.

### **DISPUTES**

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

### **AUCTIONS**

Regulations made under the Property and Stock Agents Act 2002 prescribe a number of conditions applying to sales by auction.

### WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group NSW Department of Education

Australian Taxation Office NSW Fair Trading

Council Owner of adjoining land

County Council Privacy

Department of Planning and Environment Public Works Advisory
Department of Primary Industries Subsidence Advisory NSW

Electricity and gas Telecommunications
Land and Housing Corporation Transport for NSW

Local Land Services Water, sewerage or drainage authority

If you think that any of these matters affects the property, tell your solicitor.

2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.

- 3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
- 4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
- 5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
- 6. Most purchasers will have to pay transfer duty (and, sometimes, if the purchaser is not an Australian citizen, surcharge purchaser duty) on this contract. Some purchasers may be eligible to choose to pay first home buyer choice property tax instead of transfer duty. If a payment is not made on time, interest and penalties may be incurred.
- 7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
- 8. The purchaser should arrange insurance as appropriate.
- 9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
- 10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
- 11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
- 12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the property for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any legislation that cannot be excluded.

#### 2 Deposit and other payments before completion

The purchaser must pay the deposit to the depositholder as stakeholder. 2.1

- Normally, the purchaser must pay the deposit on the making of this contract, and this time is essential. 2.2
- If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential. 2.3

The purchaser can pay any of the deposit by -2.4

- giving cash (up to \$2,000) to the depositholder; 2.4.1
- 2.4.2 unconditionally giving a cheque to the depositholder or to the vendor, vendor's agent or vendor's solicitor for sending to the depositholder; or
- 2.4.3 electronic funds transfer to the depositholder's nominated account and, if requested by the vendor or the depositholder, providing evidence of that transfer.
- 2.5 The vendor can terminate if -
  - 2.5.1 any of the deposit is not paid on time;
  - a cheque for any of the deposit is not honoured on presentation; or 2.5.2
  - a payment under clause 2.4.3 is not received in the depositholder's nominated account by 5.00 pm 2.5.3 on the third business day after the time for payment.

This right to terminate is lost as soon as the deposit is paid in full.

- If the vendor accepts a deposit-bond for the deposit, clauses 2.1 to 2.5 do not apply. 2.6
- If the vendor accepts a deposit-bond for part of the deposit, clauses 2.1 to 2.5 apply only to the balance. 2.7
- If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor 2.8 directs, it is a charge on the land in favour of the purchaser until termination by the vendor or completion, subject to any existing right.
- If each party tells the depositholder that the deposit is to be invested, the depositholder is to invest the deposit 2.9 (at the risk of the party who becomes entitled to it) with a bank, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the parties equally, after deduction of all proper government taxes and financial institution charges and other charges.

#### Deposit-bond 3

- 3.1 This clause applies only if the vendor accepts a deposit-bond for the deposit (or part of it).
- The purchaser must provide the deposit-bond to the vendor's solicitor (or if no solicitor the depositholder) at or 3.2 before the making of this contract and this time is essential.
- If the deposit-bond has an expiry date and completion does not occur by the date which is 14 days before the 3.3 expiry date, the purchaser must serve a replacement deposit-bond at least 7 days before the expiry date. The time for service is essential.
- The vendor must approve a replacement deposit-bond if -3.4
  - it is from the same issuer and for the same amount as the earlier deposit-bond; and 3.4.1
  - 3.4.2 it has an expiry date at least three months after its date of issue.
- 3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to terminate. The right to terminate is lost as soon as - \* the purchaser serves a replacement deposit-bond; or
  - the deposit is paid in full under clause 2.
- 3.6 Clauses 3.3 and 3.4 can operate more than once.

- 3.7 If the purchaser serves a replacement deposit-bond, the vendor must serve the earlier deposit-bond.
- The amount of any deposit-bond does not form part of the price for the purposes of clause 16.5.
- 3.9 The vendor must give the purchaser any original deposit-bond
  - 3.9.1 on completion; or
  - 3.9.2 if this contract is rescinded.
- 3.10 If this contract is terminated by the vendor -
  - 3.10.1 normally, the vendor can immediately demand payment from the issuer of the deposit-bond, or
  - 3.10.2 if the purchaser serves prior to termination a notice disputing the vendor's right to terminate, the vendor must forward any original deposit-bond (or its proceeds if called up) to the depositholder as stakeholder.
- 3.11 If this contract is terminated by the purchaser
  - 3.11.1 normally, the vendor must give the purchaser any original deposit-bond; or
  - 3.11.2 if the vendor serves prior to termination a notice disputing the purchaser's right to terminate, the vendor must forward any original deposit-bond (or its proceeds if called up) to the depositholder as stakeholder.

### 4 Electronic transaction

- 4.1 This Conveyancing Transaction is to be conducted as an electronic transaction unless -
  - 4.1.1 the contract says this transaction is a manual transaction, giving the reason, or
  - 4.1.2 a party serves a notice stating why the transaction is a manual transaction, in which case the parties do not have to complete earlier than 14 days after service of the notice, and clause 21.3 does not apply to this provision,

and in both cases clause 30 applies.

- 4.2 If, because of clause 4.1.2, this Conveyancing Transaction is to be conducted as a manual transaction
  - 4.2.1 each party must -
    - bear equally any disbursements or fees; and
    - otherwise bear that party's own costs;
    - incurred because this Conveyancing Transaction was to be conducted as an electronic transaction; and
  - 4.2.2 if a party has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the parties, that amount must be adjusted under clause 14.
- 4.3 The parties must conduct the electronic transaction
  - 4.3.1 in accordance with the participation rules and the ECNL; and
  - 4.3.2 using the nominated *ELN*, unless the *parties* otherwise agree. This clause 4.3.2 does not prevent a *party* using an *ELN* which can interoperate with the nominated *ELN*.
- 4.4 A party must pay the fees and charges payable by that party to the ELNO and the Land Registry.
- 4.5 Normally, the vendor must within 7 days of the contract date create and populate an Electronic Workspace with title data and the date for completion, and invite the purchaser to the Electronic Workspace.
- 4.6 If the vendor has not created an *Electronic Workspace* in accordance with clause 4.5, the purchaser may create and *populate* an *Electronic Workspace* and, if it does so, the purchaser must invite the vendor to the *Electronic Workspace*.
- 4.7 The parties must, as applicable to their role in the Conveyancing Transaction and the steps taken under clauses 4.5 or 4.6
  - 4.7.1 promptly join the *Electronic Workspace* after receipt of an invitation;
  - 4.7.2 create and populate an electronic transfer;
  - 4.7.3 invite any discharging mortgagee or incoming mortgagee to join the Electronic Workspace; and
  - 4.7.4 populate the Electronic Workspace with a nominated completion time.
- 4.8 If the transferee in the *electronic transfer* is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for that transfer.
- The vendor can require the purchaser to include a covenant or easement in the *electronic transfer* only if this contract contains the wording of the proposed covenant or easement, and a description of the land burdened and benefited.
- 4.10 If the purchaser must make a *GSTRW* payment or an *FRCGW* remittance, the purchaser must populate the *Electronic Workspace* with the payment details for the *GSTRW* payment or *FRCGW* remittance payable to the Deputy Commissioner of Taxation at least 2 business days before the date for completion.
- 4.11 Before completion, the parties must ensure that -
  - 4.11.1 all electronic documents which a party must Digitally Sign to complete the electronic transaction are populated and Digitally Signed;
  - 4.11.2 all certifications required by the ECNL are properly given; and
  - 4.11.3 they do everything else in the *Electronic Workspace* which that *party* must do to enable the *electronic transaction* to proceed to completion.
- 4.12 If the computer systems of any of the *Land Registry*, the *ELNO*, Revenue NSW or the Reserve Bank of Australia are inoperative for any reason at the *completion time* agreed by the *parties*, a failure to complete this contract for that reason is not a default under this contract on the part of either *party*.

- 4.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties*, and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring
  - 4.13.1 all electronic documents Digitally Signed by the vendor and any discharge of mortgage, withdrawal of caveat or other electronic document forming part of the Lodgment Case for the electronic transaction are taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgage at the time of financial settlement together with the right to deal with the land; and
  - 4.13.2 the vendor is taken to have no legal or equitable interest in the property.
- If the *parties* do not agree about the delivery before completion of one or more documents or things that cannot be delivered through the *Electronic Workspace*, the *party* required to deliver the documents or things
  - 4.14.1 holds them on completion in escrow for the benefit of; and
  - 4.14.2 must immediately after completion deliver the documents or things to, or as directed by; the *party* entitled to them.

### 5 Requisitions

- 5.1 If a form of requisitions is attached to this contract, the purchaser is taken to have made those requisitions.
- 5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by serving it
  - 5.2.1 if it arises out of this contract or it is a general question about the *property* or title *within* 21 days after the contract date:
  - 5.2.2 if it arises out of anything served by the vendor within 21 days after the later of the contract date and that service; and
  - 5.2.3 in any other case *within* a reasonable time.

### 6 Error or misdescription

- Normally, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

### 7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by serving it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion —

- 7.1 the vendor can rescind if in the case of claims that are not claims for delay
  - 7.1.1 the total amount claimed exceeds 5% of the price;
  - 7.1.2 the vendor serves notice of intention to rescind; and
  - 7.1.3 the purchaser does not serve notice waiving the claims within 14 days after that service; and
- 7.2 if the vendor does not rescind, the parties must complete and if this contract is completed -
  - 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
  - 7.2.2 the amount held is to be invested in accordance with clause 2.9;
  - 7.2.3 the claims must be finalised by an arbitrator appointed by the parties or, if an appointment is not made within 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a party (in the latter case the parties are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
  - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
  - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid, and
  - 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

### 8 Vendor's rights and obligations

- 8.1 The vendor can rescind if -
  - 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a requisition;
  - 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds;
  - 8.1.3 the purchaser does not serve a notice waiving the requisition within 14 days after that service.

- 8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination*
  - the purchaser can recover the deposit and any other money paid by the purchaser under this contract;

- 9.1 keep or recover the deposit (to a maximum of 10% of the price);
- 9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause
  - 9.2.1 for 12 months after the termination; or
  - 9.2.2 if the vendor commences proceedings under this clause within 12 months, until those proceedings are concluded; and
- 9.3 sue the purchaser either -
  - 9.3.1 where the vendor has resold the *property* under a contract made within 12 months after the termination, to recover
    - the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
    - the reasonable costs and expenses arising out of the purchaser's non-compliance with this
      contract or the notice and of resale and any attempted resale; or
  - 9.3.2 to recover damages for breach of contract.

### 10 Restrictions on rights of purchaser

- 10.1 The purchaser cannot make a claim or requisition or rescind or terminate in respect of -
  - 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
  - a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
  - a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
  - 10.1.4 any change in the *property* due to fair wear and tear before completion;
  - 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract:
  - 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
  - 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
  - any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
  - anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).
- The purchaser cannot rescind or terminate only because of a defect in title to or quality of the inclusions.
- 10.3 Normally, the purchaser cannot make a claim or requisition or rescind or terminate or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

### 11 Compliance with work orders

- 11.1 Normally, the vendor must by completion comply with a work order made on or before the contract date and if this contract is completed the purchaser must comply with any other work order.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

### 12 Certificates and inspections

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant -
- 12.1 to have the property inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for
  - any certificate that can be given in respect of the property under legislation, or
  - 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

- Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the GST Act have the same meaning in this clause.
- 13.2 Normally, if a party must pay the price or any other amount to the other party under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7)
  - 13.3.1 the party must adjust or pay on completion any GST added to or included in the expense; but
  - the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
  - 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the GST rate.
- 13.4 If this contract says this sale is the supply of a going concern
  - the parties agree the supply of the property is a supply of a going concern;
  - the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
  - if the purchaser is not registered by the date for completion, the parties must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the GST rate ("the retention sum"). The retention sum is to be held by the depositholder and dealt with as follows
    - if within 3 months of completion the purchaser serves a letter from the Australian Taxation
       Office stating the purchaser is registered with a date of effect of registration on or before
       completion, the depositholder is to pay the retention sum to the purchaser; but
    - if the purchaser does not serve that letter within 3 months of completion, the depositholder is to pay the retention sum to the vendor; and
  - if the vendor, despite clause 13.4.1, serves a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 Normally, the vendor promises the margin scheme will not apply to the supply of the property.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the parties agree that the margin scheme is to apply to the sale of the property.
- 13.7 If this contract says the sale is not a taxable supply
  - the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
  - the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the GST rate if this sale is a taxable supply to any extent because of
    - a breach of clause 13.7.1; or
    - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the property, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if 13.8.1 this sale is not a taxable supply in full; or
  - 13.8.2 the margin scheme applies to the property (or any part of the property).
- 13.9 If this contract says this sale is a taxable supply to an extent -
  - 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
  - the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 Normally, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the vendor serves details of a *GSTRW payment* which the purchaser must make, the purchaser does not have to complete earlier than 5 *business days* after that service and clause 21.3 does not apply to this provision.
- 13.14 If the purchaser must make a *GSTRW payment* the purchaser must, at least 2 *business days* before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under either clause 4.8 or clause 30.4 has been given, by the transferee named in the transfer the subject of that direction.

14 Adjustments

- 14.1 Normally, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the adjustment date after which the purchaser will be entitled and liable.
- 14.2 The parties must make any necessary adjustment on completion, and
  - the purchaser must provide the vendor with adjustment figures at least 2 business days before the date for completion; and
  - the vendor must confirm the *adjustment figures* at least 1 *business day* before the date for completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- The parties must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the adjustment date
  - only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
  - 14.4.2 by adjusting the amount that would have been payable if at the start of the year
    - the person who owned the land owned no other land;
    - the land was not subject to a special trust or owned by a non-concessional company; and
    - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 The parties must not adjust any first home buyer choice property tax.
- 14.6 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the parties must adjust it on a proportional area basis.
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the adjustment date, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the adjustment date.
- The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The parties must complete by the date for completion and, if they do not, a party can serve a notice to complete if that party is otherwise entitled to do so.

### 16 Completion

### Vendor

- Normally, on completion the vendor must cause the legal title to the *property* (being the estate disclosed in this contract) to pass to the purchaser free of any charge, mortgage or other interest, subject to any necessary registration.
- 16.2 The legal title to the *property* does not pass before completion.
- 16.3 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.
- 16.4 If a party serves a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

Purchaser

- 16.5 On completion the purchaser must pay to the vendor -
  - 16.5.1 the price less any
    - deposit paid;
    - FRCGW remittance payable;
    - GSTRW payment; and
    - amount payable by the vendor to the purchaser under this contract; and

16.5.2 any other amount payable by the purchaser under this contract.

- 16.6 If any of the deposit is not covered by a *deposit-bond*, at least 1 *business day* before the date for completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit, to be held by the vendor in escrow until completion.
- 16.7 On completion the deposit belongs to the vendor.

### 17 Possession

- 17.1 Normally, the vendor must give the purchaser vacant possession of the property on completion.
- 17.2 The vendor does not have to give vacant possession if -
  - 17.2.1 this contract says that the sale is subject to existing tenancies; and
  - the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).
- 17.3 Normally, the purchaser can claim compensation (before or after completion) or rescind if any of the land is affected by a protected tenancy (a tenancy affected by Schedule 2, Part 7 of the Residential Tenancies Act 2010).

### 18 Possession before completion

- 18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
- 18.2 The purchaser must not before completion
  - 18.2.1 let or part with possession of any of the *property*;
  - make any change or structural alteration or addition to the property; or
  - 18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.
- 18.3 The purchaser must until completion -
  - 18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
  - 18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor
  - the vendor can before completion, without notice, remedy the non-compliance; and
  - 18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.
- 18.6 If this contract is rescinded or terminated the purchaser must immediately vacate the property.
- 18.7 If the parties or their solicitors on their behalf do not agree in writing to a fee or rent, none is payable.

### 19 Rescission of contract

- 19.1 If this contract expressly gives a party a right to rescind, the party can exercise the right -
  - 19.1.1 only by serving a notice before completion; and
  - in spite of any making of a claim or requisition, any attempt to satisfy a claim or requisition, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.
- 19.2 Normally, if a party exercises a right to rescind expressly given by this contract or any legislation
  - the deposit and any other money paid by the purchaser under this contract must be refunded;
  - 19.2.2 a party can claim for a reasonable adjustment if the purchaser has been in possession;
  - 19.2.3 a party can claim for damages, costs or expenses arising out of a breach of this contract; and
  - 19.2.4 a party will not otherwise be liable to pay the other party any damages, costs or expenses.

### 20 Miscellaneous

- 20.1 The parties acknowledge that anything stated in this contract to be attached was attached to this contract by the vendor before the purchaser signed it and is part of this contract.
- 20.2 Anything attached to this contract is part of this contract.

  - 20.6.8 served if it is provided to or by the party's solicitor or an authorised Subscriber by means of an Electronic Workspace created under clause 4. However, this does not apply to a notice making an obligation essential, or a notice of rescission or termination.
- 20.7 An obligation to pay an expense of another party of doing something is an obligation to pay
  - if the party does the thing personally the reasonable cost of getting someone else to do it; or if the party pays someone else to do the thing the amount paid, to the extent it is reasonable.
- 20.8 Rights under clauses 4, 11, 13, 14, 17, 24, 30 and 31 continue after completion, whether or not other rights

- 20.14 The details and information provided in this contract (for example, on pages 1 4) are, to the extent of each party's knowledge, true, and are part of this contract.
- 20.15 Where this contract provides for choices, a choice in BLOCK CAPITALS applies unless a different choice is marked.
- 20.16 Each party consents to -
  - 20.16.1 any party signing this contract electronically; and
  - 20.16.2 the making of this contract by the exchange of counterparts delivered by email, or by such other electronic means as may be agreed in writing by the *parties*.
- 20.17 Each party agrees that electronic signing by a party identifies that party and indicates that party's intention to be bound by this contract.
- 21 Time limits in these provisions
- 21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.
- 21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.
- 21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
- 21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
- 21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clauses 2 and 3.2.

- 22.2 This promise is essential and a breach of it entitles the vendor to terminate.
- 23 Strata or community title
  - Definitions and modifications
- This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).

  - Adjustments and liability for expenses
- 23.5 The parties must adjust under clause 14.1 -
  - 23.5.1 a regular periodic contribution;
  - 23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and
  - on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.

  - the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
  - in the case of the lot or a relevant lot or former lot in a higher scheme, a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion;
  - a change before the contract date or before completion in the scheme or a higher scheme materially prejudices the purchaser and is not disclosed in this contract; or
  - a resolution is passed by-the owners corporation before the contract date or before completion to give to the owners in the scheme for their consideration a strata renewal plan that has not lapsed at the contract date and there is not attached to this contract a strata renewal proposal or the strata renewal plan.

      money in the fund or interest earnt by the fund that has been applied for any other purpose;
